

Dru Hill, Sleeping In My Bed

God knows that you're a sexy thang
It's taking everything in me
Not to kiss you over, under, feel you inside
Feel my thunder

How the hell could I not wantcha
Girl it don't have to be a thang
I'll wait for you, you wait for me
Cuz true love is insisting
We don't have to rush at all, baby yeah

Chorus:

These are the times we all wish for
The moment when less means so much more

We don't have to do a thing at all

We take our time and talk

And this is the way things need to be

No pressure from you and none from me

Just let the mood set the moment off

We can make love or not all

Be thinking 'bout you all the time

Morning, noon and supertime, baby

Tear you up in little pieces

Swallow you like Reeses Pieces

Come on girl you know I need it

I know

It ain't spose to be a thang

I know

I wait for you , you'll wait for me

And I know

True love's insisting we don't have to rush at all

(Repeat Chorus)

I don't make promises

Cuz I know my heart gets weak

When I get around you , girl

It makes them hard to keep

You bring out the best

You make me the man

God knows I'm proud to be, baby yeah

(Repeat Chorus until fade)
