

Dru Hill, What Do I Do With The Love

[Intro:]

What do I do, what do I do babe

I can put away the letters
Hide them in the drawer
I can even forget what you sent them for
And I can take your name out of my book
I can put away the pictures
I can put the dreams aside
But I just can't seem to put you out of my mind
So tell me now, oh

What do I do with the love, tell me baby
What do I do with the memories of
What do I do with the nights
Without you by my side
They used to be your's and mine
Without you, what do I do with the love

I can go out every night now
Stay out til the dawn
Do whatever I want to
Anytime I want
And I can make believe we never met
I can clear out all the closets
Leave your things outside the door
But I just can't seem to not love you anymore
So tell me now, tell me now, what do I do

What do I do with the love (Oh baby)
What do I do with the memories of (Tell me)
What do I do with the nights (Baby)
With you by my side
They used to be your's and mine
Without you what do I do with the love, yeah yeah

Do do I do with this heart
Who do I give it to
What do I do with these arms
If they're not holding you
What do I do with this time
If I'm not spending time with you
If I'm not giving my love to you, oh

What do I do with the love,
(Oh, Lord have mercy, do ya hear me?)
What do I do with the memories of
What do I do with the nights
Without you by my side
They used to be your's and mine
Without you what do I do with the love
What do I do with the love
What do I do with the love
What do I do with the love
What? I'm sitting here
What do I do, with all the love, oh yeah
