

Drugstore, Fader

I'm gonna dig myself a hole
And get my head inside
I'm gonna keep my eyes closed
Feel my heart dripping by
Life can be so ordinary
I did try to make mine good
But I've made so many mistakes

Down in my youth X4

Welcome to my house
We'll play for a while
Can't you see
There's a ghost by my side?

I'm gonna dig myself a hole
And get my head inside
I'm gonna keep my eyes closed
Feel my heart dripping by
Life can be so ordinary
I did try to make mine good
But I've made so many mistakes

Down in my youth X4

Welcome to my house
We'll play for a while
