

Drugstore, Glory Box

(portishead cover)

I'm so tired
Of playing
Playing with this bow and arrow
I'm gonna give my heart away
Leave it to the others to play
'cos I've been a temptress too long
Oh yeah
Give me a reason to be
Give me a reason to be
A woman
I just want to be a woman...
From this time unchained
I've been looking at a different picture

Through this new frame of mind
A thousand flowers could bloom
Move over and give me some room
Yeah...
Give me a reason to love you
Give me a reason to be
A woman
A woman
Yeah
I just want to be a woman
A woman
A woman
A woman
Yeah...
