

# Drugstore, Modern Pleasures

He's a sucker, I'm his gal  
We both have a bad habit  
We get the same share  
And we don't go out anywhere  
'cos everytime we do it's such a downer  
Everywhere we go it's such a drag  
There are sweet lies  
Way out there  
But we don't feel like joining  
We don't really care  
We don't go out anyway  
'cos everytime we leave it's such a downer  
Everywhere we go it's such a drag  
Modern pleasure is all we ever have  
Pleasure is all we need to get  
He's a schemer, I'm his plan  
We both hate the same places  
But we love the same band  
But we don't go out anywhere  
'cos everytime we leave it's such a downer  
Everywhere we go it's such a drag  
Modern pleasure is all we ever have  
Pleasure is all we need to get  
He's a sucker, I'm his gal  
Yeah, I'm his gal
