That baby's going to heaven X3

These days, time is passing real slowly
Not much I feel like doing
I just wanna sleep away

Maybe, I'll get myself into a coma
Spend my whole life dreaming
I just wanna sleep away

I'm gonna, I'm gonna Sell my X6

Lately, it feels like nothing is moving
Nothing I feel like doing
Baby, gonna sleep away
Somehow, I'll get myself into a coma
Feel my body drifting
Slowly gonna slip away

I'm gonna, I'm gonna Sell my X8

That baby's gone to heaven X3
