

# Drunksouls, Give Me A Sign

Babe i know you won't go  
Mamma said never trust her  
Babe i know you won't go  
Its been a long time since i listened to my mother

I will fight my mom assertion  
I believe this is not the season for reason  
I can't live without this suicidal affection  
Im just living kind of frustration reaction

If you love me  
Give me a sign

A sign Let me know if you wish  
A sign Keep on going with me  
A sign try to build up something  
A sign Baby please won't you give it to me now

Babe i know you won't go  
Mamma said never trust her  
Babe i know you won't go  
Its been a long time since i listened to my mother

Babe i know you won't go  
Don't go Don't go Don't go  
Babe i know you won't go  
Don't be the sort of girl  
That will break my heart  
You say You say My man  
You're not the type of guy  
I will give my life

I will fight my mom assertion  
I believe this is not the season for reason  
I can't live without this suicidal affection  
Im just living kind of frustration reaction

If you love me  
Give me a sign

A sign Let me know if you wish  
A sign Keep on going with me  
A sign try to build up something  
A sign If you really love me

A sign Let me know if you wish  
A sign Keep on going with me  
A sign try to build up something  
A sign Baby please won't you give it to me now

My babe i can't believe you were always lying  
When we were babe all together lying  
In the same bed is it still worth loving  
Babe no / my babe no / you can't do this to me

My baby tell me its just a nightmare
