

Dry Cell, Body Crumbles

Finally recover when the mood is right
Looking up into a neon sky
Child in me takes over, guess it's been too long
Since the last time that I tried to fly

chorus

Finally I find when I lose control
Inside my body crumbles
It's like therapy for my broken soul
Inside my body crumbles

All I need's a moment, chance to get away
From the stressfulness of every day
Know if I don't question and I never doubt
Everything is gonna be okay

Finally I find when I lose control
Inside my body crumbles
It's like therapy for my broken soul
Inside my body crumbles

I dont know if ill be alright
Insecure would be my sign
I dont know if ill be alright
I'll never have to hide
I dont know if ill be alright
Try to live right
I dont know if ill be alright
Now I know its alright

Finally I find when I lose control
Inside my body crumbles
It's like therapy for my broken soul
Inside my body

Finally I find when I lose control
Inside my body crumbles
It's like therapy for my broken soul
Inside my body crumbles
