

# Dry Cell, Body Crumbles

Finally recover when the mood is right  
Looking up into a neon sky  
Child in me takes over, guess it's been too long  
Since the last time that I tried to fly

chorus

Finally I find when I lose control  
Inside my body crumbles  
It's like therapy for my broken soul  
Inside my body crumbles

All I need's a moment, chance to get away  
From the stressfulness of every day  
Know if I don't question and I never doubt  
Everything is gonna be okay

Finally I find when I lose control  
Inside my body crumbles  
It's like therapy for my broken soul  
Inside my body crumbles

I dont know if ill be alright  
Insecure would be my sign  
I dont know if ill be alright  
I'll never have to hide  
I dont know if ill be alright  
Try to live right  
I dont know if ill be alright  
Now I know its alright

Finally I find when I lose control  
Inside my body crumbles  
It's like therapy for my broken soul  
Inside my body

Finally I find when I lose control  
Inside my body crumbles  
It's like therapy for my broken soul  
Inside my body crumbles
