Dry Kill Logic, Hindsight

Hindsight

These are the same things born from the last time And now its here and its fueled yet its falling apart And you feel this, lord how you know this It seems to me like the whole things falling away

Pre

And you feel it, lord how you know it Now its everything of the way it should be And it feels like, hair on the livestock All at the same time

Chorus (1)
With my own eyes I see inside
And pushed it all away
Small white lies
In everything you say
Cause I dont want it
To feel this way
Small white lies
In everything you say
What you say

All of the same things died on the first time And now its gone like the drive so taken from me And you feel this, lord how you know this It seems to me like the whole things runnin' away

Pre

And you feel it, lord how you know it Now its all around and drained the life out of me And it feels like, hair on the livestock All at the same time

Chorus (1)
With my own eyes I see inside
And pushed it all away
Small white lies
In everything you say
Cause I dont want it
To feel this way
Small white lies
In everything you say
What you say

What its doing to me What you say What its doing to me

Chorus (1)
With my own eyes I see inside
And pushed it all away
Small white lies
In everything you say
Cause I dont want it
To feel this way
Small white lies
In everything you say

Chorus (2)
With my own eyes
I've pushed it all away
Small white lies in

Everything you say And I dont want it To feel this way Small white lies In everything you say
