## DSDS, I Believe I Can Fly

I used to think that I could not go on And life was nothing but an awful song But now I know the meaning of true love I'm leaning on the everlasting arms If I can see it, then I can do it If I just believe it, there's nothing to it I believe I can fly I believe I can touch the sky I think about it every night and day Spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly I believe I can fly See I was on the verge of breaking down Sometimes silence can seem so loud There are miracles in life I must achieve But first I know it starts inside of me, oh If I can see it, then I can be it If I just believe it, there's nothing to it, oh I believe I can fly I believe I can touch the sky I think about it every night and day Spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly I believe I can fly Hey, cause I believe in me, oh If I can see it, then I can do it If I just believe it, there's nothing to it I believe I can fly I believe I can touch the sky I think about it every night and day Spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly I believe I can fly I can fly I can fly I can fly If I just spread my wings I can fly I can fly

If I just spread my wings, oh
