

# Dual Core, First One's Free

One for the money, two for the show  
three for the claw shrimp, four for the flow

Penny Arcade where the first one's free  
the second one costs but the third one's cheap

My fav-o-rite place of high hopes and shame  
plus millions who visited, Tycho and Gabe

Tycho and I like to drink til we're happy  
smile and drunk dial both twisp and catsby (exuberance!)

Mad when it's drastic, crass with his tactics  
plus you gotta add he's a tad sarcastic

Gabe loves Jim Lee, he's taking him hostage  
for one Thousand krispy kremes stacked in the office

Tycho's reserved, like a pro politician  
his policy's cautiously, optimistic

Gabe jumps in and he wants to battle me  
but I walk away, he's a shark with analogies

One for the money, two for the show  
three for the claw shrimp and four for the flow

Penny Arcade, where the first one's free  
the second one costs but the third one's cheap  
(2 x times)

Rewind a little, I'm takin it back  
to the drop in this track or a claw shrimp attack

Just like a crawdad that almost has hands  
but they're deep in the ocean and as big as a man

My d20 die is for D&D guys  
except for the one that smelled like french fries

But F-dog is pimp, juice with no squeezey  
I gots the gin, he makes jeezy for reezy

Tracking down lines passing calculus fine  
so take the derivative for fruit f\*\*\*er prime

Enemies receeeive a kerrigan beating  
or a cease and desist from American greetings

Here's what to send if you ever lack options  
ten thousand dollars in the name of Jack Thompson

Here's four words for the haters and scrubs  
Doctor, Raven, Darktalon blood, what

One for the money, where two for the show  
three for the claw shrimp and four for the flow

Penny Arcade, where the first one's free

the second one costs but the third one's cheap

Stand Up

This one's for (c64)

This one's for (the rest, UK)

This one's for (I'm int eighty)

This one's for

The youngest female to lead a clan army  
your whole LAN party owned by Annarchy

The rainbow and pony case mod stand  
hail to the champ of the 1000 man LAN

World of Warcraft send the sparks flyin  
I rep for the guilds with skills on dark iron

My hardcore crew's got Star Wars moves  
the Samurai rules with a cardboard tube

Tycho prevailed in the last stand off  
it's time Gabe claimed back the pac-man watch

Hey it's int eighty, the kernel emcee  
I love penny arcade, the first one's free

One for the money, two for the show  
three for the claw shrimp and four for the flow

Penny arcade, where the first one's free  
the second one costs but the third one's cheap  
(2 x times)
