

# Dub War, Can't Stop

da flava  
am a natural groove craver  
da flava  
am a natural groove craver  
da flava  
am a natural groove craver  
da flava

easy guitar conscious lyrics are in place  
ginge kicks a rare groove, glover smokes the bass  
jus like that king of old  
he got that midas touch  
any time you got a minus you got gerra plus  
negative to positive  
death into life  
genius or imbesicile  
we got to play it tight  
searching in this darkness  
for a bryan new way of life  
kicking wid da flava  
an force of dynamite  
can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
born inaddy dance hall  
as a natural groove...  
alright, i love to kick the vibes  
when the vibes are in the place  
bouncing round the ceiling  
and bouncing round da ye ye  
stop the badness  
stop the madness  
give the world a tissue  
for all it's sadness  
mirror in the bathroom  
whose the fairest of them all the world is crazy  
round a circle in a ball  
jam it when you youch it  
jam it when you cructh it  
yaaaaaaaaah!  
can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
born inaddy dance hall  
as a natural groove...  
watch it!  
we can't take it no longer  
watch how me stronger  
das away the vibes run sweet  
uno can't take it no longer  
watch how me stronger  
das away the vibes run sweet  
we can't take it no longer  
watch how me stronger  
das away the vibes run sweet  
uno can't take it no longer  
watch how me stronger  
das away the vibes run sweet

can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
can't stop won't stop  
kickin' up da flava  
born inaddy dance hall  
as a natural groove craver  
uno can't take it no longer  
watch how me stronger  
das away the vibes run sweet  
can't take it no longer  
das how me stronger  
watch how the vibes run sweet  
we can't take it no longer  
watch how me stronger  
das away the vibes run deep  
can't take it no longer  
das away the vibes run deep  
can't take it  
der flava der flava  
they can't take it  
da flava da flava  
you can't take it  
da flava da flava  
uno can't take it  
da flava da flava  
can't take it  
da flava da flava  
can't take it  
da flava da flava
