

Dubaldo Marie Claire, Falling Into You

FALLING INTO YOU (Marie Claire D'Ubaldo)

And in your eyes I see ribbons of color

I see us inside of each other

I feel my unconscious merge with yours

and I hear a voice say, "what's his is hers"

I'm falling into you

this dream could come true

And it feels so good falling into you

I was afraid to let you in here

now I have learned love can't be made in fear

The walls begin to tumble down

and I can't even see the ground

I'm falling into you

this dream could come true

And it feels so good falling into you

Falling like a leaf, falling like a star

finding a belief, falling where you are

Catch me, don't let me drop!

Love me, don't ever stop!

So close your eyes and let me kiss you

and while you sleep I will miss you

I'm falling into you

this dream could come true

and it feels so good falling into you

Falling like a leaf, falling like a star

Finding a belief, falling where you are
