Yes man  
Be highirly man not sikirly man  
Yes man, don't worry about all that  
Shit happens around  
Just say it: be highirly man just around  
The  
Corner man when you take a hike with a  
Good car man  
When you're going on tha'beach man and  
Make a wash of yourself on  
The seaside, man  
You now what I mean man  
Be highirly man  
Not sikirly man  
Because you trust to a good life  
Because you, all day, try  
Every day, to be a positive

Jadidadi be highirly  
Jadidadi not sikirly

Dub sound commin'  
Don't be don't be  
Sikirly just be highirly

Don't be sikirly  
Don't be sikirly  
So be saburly  
Just be highirly

Just say it: be highirly man  
Not sikirly man  
Again, what I said man

Be highirly man  
Not sikirly man

Don't be sikirly  
Don't be sikirly  
So be saburly  
Just be highirly
