

Dubstar, Arc Of Fire

We are the crime of ages
We are the dying babies
Sounding wars
The land is dead
The pact is over

Take your fathers to the ocean
Join our arc of fire
Leave your homes
Join our arc of fire

We've seen too many changes
We've seen your silent faces
Life is dead
Know our truth
The peace is ended

Take your fathers to the ocean
Join our arc of fire
Leave your homes
Join our arc of fire

Take your mothers to the ocean
Join our arc of fire
Burn your lives
Join our arc of fire

We are strong
The world is ours
Your lives are taken

Take your fathers to the ocean
Join our arc of fire
Leave your homes
Join our arc of fire

Take your fathers to the ocean
Join our arc of fire
Burn your lives
Join our arc of fire

Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Burn your
Fire
