

Dubstar, Just A Girl She Said

Search lights dim out
inside my house
I've played this inning for quite a while
Guess what - they ran me out
I've faced the ending
One message sent
It's over
Hardly been here
If this is all
It's over
And all this amounts
to my wasted chance
Friendship, food, rent and parents
was all I meant
So no more talking
No more smiles
It's over
No more effort
No more lies
It's over
