

Dubstar, No More Talk

Sunday sunshine
I know that sometimes friends can easily lose the way
Now in daylight no time for fights
We have to live another day
You're my best friend
My start in Wallsend
People round who know the score
For all the great things I've kept a space
for all the time I've spent with you
So take the bad things out of everything
I'll show you the way
I'll show you the way
I'll show you the way
I'll show you the way
Both our families
They know what I see
Know the plans that I believe
We'll drink to them
For waiting them
For all the smiles that time will bring
Cos we're the best kind
And now I know I'll find the way to stay with you
So toast the great days
Forget our sad ways
Laugh for all the things we do
And take the bad things out of everything
I'll show you the way...
It all depends on if you'll see me
It all depends on if you'll speak to me...
