

# Duffy, Distant Dreamer

Although you think I cope,  
my head is filled with hope...  
of some place other than here

Although you think I smile,  
inside all the while...  
I'm wondering about my destiny

I'm thinking about,  
all the things,  
I'd like to do in my life

I'm a dreamer,  
a distant dreamer,  
dreaming for hope, from today

Even when you see me frown,  
my heart won't let me down,  
because I know there's better things to come (whoa, yeah)

And when life gets tough,  
I feel I've had enough,  
I hold on to a distant star,

I'm thinking about,  
all the things,  
I'd like to do in my life...

I'm a dreamer,  
A distant dreamer,  
dreaming for hope from today

I'm a dreamer,  
A distant dreamer,  
dreaming for hope from today

Yeah, I'm a dreamer

Oooooooh...  
Oooooooh...  
Oooooooh...

I'm a dreamer,  
a distant dreamer,  
dreaming for hope from today,

Yeah I'm a dreamer...

Oooooooh...  
Oooooooh...  
Oooooooh...

I'm a dreamer
