

# Duffy, I'm Scared

The blank pages of my diary,  
That I haven't touched since you left me,  
The closed blinds in my home  
See no light of day.  
Dust gathers on my stereo  
Cos I can't bare to hear the radio  
The piano sits in a shaded space  
With a picture of your face.  
I'm scared to face another day  
Cos the fear in me just won't go away.  
In an instant, you were gone and I'm scared.  
Coffee stains on your favorite book  
Remind me of you so I can't even look.  
The magazines you left on the floor,  
You won't need them anymore.  
A towel left hangin on the wall,  
No sign of wet footsteps in the hall  
There's no smell of your sweet cologne.  
I'm lying here alone.  
I'm scared to face another day  
Cos the fear in me just won't go away.  
In an instant, you were gone and now I'm scared.  
I'm scared to face another day  
Cos the fear in me just won't go away.  
In an instant, you were gone, now I'm scared.  
In an instant you were gone and I'm scared.
