

# Duffy, River in the Sky

Now, I am alone  
Afraid of the dark  
She sings in the night  
Holds me, glows to a hug

My only friend  
Who Can't comprehend  
Why she visits me  
Then an again

Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?  
Just Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?

Down of this life  
Down on my mind  
I pray to fly  
Bird in free

She covers me  
So pantiently  
As i learn to deal  
Whit the ...

Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?  
Just Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?

When i let myself  
Go back in time  
I see the sadnessin her eyes  
She knew that tears will always come again  
Like a river in a  
Like a river in a sky

Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?  
Just Like a river in the sky  
Why, o why  
Do we cry?  
Do we cry?
