Duhks, Love Is The Seventh Wave/The Arch Of A

In the empire of the senses You're the queen of all you survey All the cities all the nations Everything that falls your way There is a deeper wave than this That you don't understand There is a deeper wave than this Tugging at your hand

Every ripple on the ocean
Every leaf on every tree
Every sand dune in the desert
Every power we never see
There is a deeper wave than this
Swelling in the world
There is a deeper wave than this
Listen to me girl

Feel it rising in the cities
Feel it sweeping over land
Over borders, over frontiers
Nothing will its power withstand
There is no deeper wave than this
Rising in the world

There is no deeper wave than this Listen to me girl

All the bloodshed, all the anger All the weapons, all the greed All the armies, all the missiles All the symbols of our fear There is a deeper wave than this Rising in the world There is a deeper wave than this Listen to me girl

At the still point of destruction At the centre of the fury All the angels, all the devils All around us, can't you see There is a deeper wave than this Rising in the land There is a deeper wave than this Nothing will withstand

I say love is the seventh wave
