Duke Dumont, Need U (100%) (feat. A*M*E)

I wanna be the one you call, every day and night Are you gonna be the one who's always gonna treat me right And when we get together turning down the lights Need you 100, need you 100 percent and

I wanna be the one you tell all your friends about Baby I'll be the one you just can't do without You gotta give me everything, baby ain't no doubt Give me 100, need you 100 percent

I wanna be the one you call, every day and night Are you gonna be the one who's always gonna treat me right And when we get together turning down the lights Need you 100, need you 100 percent and

I wanna be the one you tell all your friends about Baby I'll be the one you just can't do without You gotta give me everything, baby ain't no doubt Give me 100, need you 100 percent

Need you 100, need you 100 percent
