

# Duke Special, Don't Breathe

Don't breathe, please don't move  
Or they'll hear us, they're right outside  
We should hide til the morning  
Don't breathe, we could ride to the border and start again  
Change our names and grow old

Yes it's my fault that I didn't try to warn you  
Now they've got you in a corner  
Yes it's my fault and I wish I could take it all back  
I wish I could take it all back

Don't leave, well you can go  
If you want to, look I've made you cry  
I would die if you did it  
Don't leave, we could ride to the border and start again  
Change our names and grow old

Yes it's my fault that I didn't try to warn you  
Now they've got you in a corner  
Yes it's my fault and I wish I could take it all back  
I wish I could take it all back
