You got Rimbaud eyes  
You got Rimbaud eyes  
You got

Truly, I have wept too much  
And the dawns are heartbreakers  
Every moon is atrocious  
Every sun bitter  
Sharp love (sharp love)  
Has swollen me up

You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got

I can no more  
Bathed in your langours  
O waves, sail in your wake  
I can no more  
Bathed in your langours  
O waves, sail in your wake

You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got

Now I, a boat  
Lost on the blue  
Am hurled by hurricanes  
Into bird-less ether  
Into forever blue  
Into you

You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got Rimbaud eyes  
You got
