

Dum Dums, Can't Get You Out Of My Thoughts

can t get you out of my thoughts

Why do you smile like that, when you look at me?
When you know I can't have you
Why do your glances seem like advances?
Is it just me? Man I think you re going crazy

It aches in my heart
With my friends I'm always acting so cool
But I would SELL OUT
If only to be closer to you
Cause there's nothing I can do...

I can't get you out of my thoughts
Or out of my heart and I know I'm in love with you baby
Everything I do, leads me back to you
You got to know that you're driving me crazy

Look at me girl, I'm a fool, I make you smile
But I know I can't have you
And I stare at the stars, wishing you weren't so far
From my arms, not alone
But I'm sick of being lonely

I try to love someone else
And everyday I try to be true
It only make me feel worse
Cause all I do is think about you
And there's nothing I can do

I can't get you out of my thoughts
Or out of my heart and I know I'm in love with you baby
Everything I do, leads me back to you
You got to know that you're driving me crazy

I can't get you out of my thoughts
Or out of my heart and I know I'm in love with you baby
Everything I do, leads me back to you
You got to know that you're driving me crazy

Ahhh...

I can't get you out of my thoughts
Or out of my heart and I know I'm in love with you baby
Everything I do, leads me back to you
You got to know that you're driving me...

I can't get you out of my thoughts, or out of my heart,
And I know I'm in love with you baby,
Everything I do, leads me back to you,
Leads me back to you, leads me back to you, leads me back to you

I can't get you out of my thoughts
Or out of my heart and I know I'm in love with you baby
Everything I do, leads me back to you

Leads me back to you... (4x)
You... (2x)
