

# Dum Dums, Lonely Hearts Company

Sometimes I'm sad and I don't know why  
I sit under the stars and I almost cry  
And at times like these you know I'm lonely and I wanna die  
When your looking for a cigarette to ease your pain  
And your life's a drag, and you work in vain  
Burn down your office, and walk out into the rain

Life is short, you gotta look around  
Pretty soon, you'll be all grown up  
With dead-eyed kids, and a life of hell  
Stick with me, and we'll feel swell

Lonely hearts company  
Selling shares of sympathy  
Lonely hearts company  
Share with me your misery

Well I don't like to smoke, cuz it sinks your cash  
And I don't roll notes, cuz it ain't that flash  
But at times like this you know I feel like getting trashed  
Yet the thing about you is that you see me through  
And I can sit around and just talk to you  
This world is such a cynical place, people can be so cruel

Life is short, you gotta look around  
Pretty soon, you'll be all grown up  
With dead-eyed kids, and a life of hell  
Stick with me, and we'll feel swell
