

Dum Dums, Lucy's About To Beach

Lucy's about to beach
Lucy's about to beach
Lucy's about to beach
Lucy's happening
With you with you with you
With you with you with you

Man I'd be lying if I said that you weren't drunk
And the hotel signs aren't falling to pieces
If you need a place to live come sit here by my side
Share these sad words as I fall to pieces

Lucy's about to beach
Lucy's happening
With you with you with you
With you with you with you

Sean's paint supplies and McClarens foods don't turn me on
I can't concentrate I was falling to pieces
Man I don't understand why I matter much to you
Can you save my soul before I fall to pieces?

Lucy's about to beach
Lucy's happening
With you with you with you
With you with you with you

Lucy, it's happening (x8)
