

# Dum Dums, Mr. Executive

Hello, Mr Executive, may I have a few words if it's not too much trouble?

I know that flattery will get me nowhere  
But I was so inspired by your luncheon speech  
And I will kick my wife out of the house along with all my kids  
If it means I can be office supervisor, yeah

Please Mr Executive I will do anything for you  
Anything you ask me to  
Please Mr Executive I will do anything for you  
Anything you want me to

I remember when you used to get the bus  
And complain about the boss like everybody else  
But now you're kissing babies and you're firing all your friends  
The things you do to be the office supervisor, yeah

Please Mr Executive I will do anything for you  
Anything you ask me to  
Please Mr Executive I will do anything for you  
Anything you want me to

You traded in your lovely wife for your secretary  
You smile and act as if we're all just one big family  
You eat and drink and get treated like royalty  
Your majesty Oh can't you see?  
Your children listen closely cause they want to be like you  
They want to wear Armani and shiny leather shoes  
A day is soon approaching when you will receive your dues  
I'll either get a pay rise or I'll end up on the news

Please Mr Executive I will do anything for you  
Anything you ask me to  
Please Mr Executive I will do anything for you  
Anything you want me to

You're gonna get so (You're gonna get so)  
Much more than money  
You're gonna get so (You're gonna get so)  
Much more than money I will do anything, anything, ohh anything
