

Dum Dums, Who Knows The Way

D-o do do do do do, do do do do do
Do do do do do, do do do do do

Sometimes, I feel like slipping away
And i get quite scared
I sit in my classes wasting every single day
If you ever cared...

Who knows the way?
Who knows the pain?
Who knows the way?
Who knows the pain?

Do do do do do, do do do do do

I'm lost, just like everyone else
But I've got great hair
I'm happy, even if it dont show in my face
I smell fresh all day

Who knows the way?
Who knows the pain?
Who knows the way?
Who knows the pain?

Electric lights are dark and dead
Walking between all the gasoline rainbows
Gameshow laughter on a distant receiver
Tears from the exiled golden retriever
My hands are cold, my feet are freezing
My teeth are clean, and the couple are leaving
I'm just another extra in the TV movie of their lives

Who knows the way?
Who knows the pain?
Who knows the way?
Who knows the pain? (Ooo-ooo)
Who knows the way? (Ooo-ooo)
Who knows the pain? (Ooo-ooo)
Who knows the way? (Ooo-ooo)
Who knows the pain?

All of this pain inside of my heart
Send me a smile and let the love vibes start
All of this pain inside of my heart
Send me a smile, let the love vibes start
