

# Duncan Laurence, Wishes Come True

Hay, how are you  
merry christmas  
i have a feeling you're feeling alone  
you ask me if i have any wishes  
i said: maybe, it's time that we get off the phone

you ask: What is that all about?  
Well, i am ghonna show you rght now

Put on your winter coat  
I willl be outsid  
Meet me under the mistletoe  
Baby, i am falling for you  
Like snowa n a christmas night

When i am with you  
Wishes come true!

SOME people wish for a sweater  
Soem only settle foe diamonds and gold  
But i can't think of anything better  
Than holding your hand in the cold

Put on your winter coat  
I willl be outsid  
Meet me under the mistletoe  
Baby, i am falling for you  
Like snowa n a christmas night

When i am with you  
Wishes come true!  
When i am with you  
When i am with you  
Wishes come true!
