

# Duncan Sheik, I Don't Believe In Ghosts

Here and there  
Haunting my closets and drawers  
My evermore

Now and then  
Forgetting that everything's changed  
I call her name

And I heard the stories  
She tried to tell me  
(But) I don't believe in ghosts

I hear a sound

Maybe it's her coming home  
But I'm alone

No, I've never seen one  
I've never been one  
I don't believe in ghosts

So I won't think of her  
I won't remember  
I don't believe in ghosts

She knows...  
She knows...
