

# Duncan Sheik, In The Absence Of Sun

For all the good you say it does  
It seems no better when you've had your say  
You may believe it's just because  
The words get colder when you've gone away  
I thought I understood  
What I was to you  
I don't want to feel this way  
I don't want to say I'm just a friend  
I don't want to wait around here  
'Cause you don't want to feel no pain again  
We just lie about it  
As we become shadows of ourselves  
Some may fear committed lives  
I sure am one of them without you  
Does it come to you as some surprise  
I laid the ground beneath to doubt you  
Was it ever girl  
Something you could hold...  
I don't want to feel this way  
I don't want to say I'm just a friend  
I don't want to wait around here  
'Cause you don't want to feel no pain again  
We just lie about it  
As we become shadows of ourselves  
I don't want to look away  
I don't want to be the one denied  
It ain't no fault of mine  
Someone, somewhere told you lies  
But we don't talk about it  
We just become shadows of ourselves
