

Duncan Sheik, Songbird

For you
There'll be no more cryin'
For you
The sun will be shinin'

And I feel that when I'm with you
It's all right
I know it's right

To you
I'll give the world
To you
I'll never be cold

Cause I feel that when I'm with you
It's alright
I know it's right

And the songbirds are singing
Like they know the score
And I love you I love you I love you
Like never before

And I wish you all the love in the world
But most of all
I wish it from myself

And the songbirds keep singing
Like they know the score
And I love you I love you I love you
Like never before

And the songbirds keep singing
Like they know the score
And I love you I love you I love you
Like never before
And I love you I love you I love you
Like never before
