## Duncan Sheik, Songbird

For you There'll be no more cryin' For you The sun will be shinin'

And I feel that when I'm with you It's all right I know it's right

To you I'll give the world To you I'll never be cold

Cause I feel that when I'm with you It's alright I know it's right

And the songbirds are singing Like they know the score And I love you I love you Like never before

And I wish you all the love in the world But most of all I wish it from myself

And the songbirds keep singing Like they know the score And I love you I love you Like never before

And the songbirds keep singing Like they know the score And I love you I love you Like never before And I love you I love you Like never before
