

Dune, In My Dreams

In my dreams... (4x)

In my dreams... I can go everywhere
In my dreams... I don't have to care
In my dreams... Follow red balloons
In my dreams... Only lovely tunes
In my dreams...

I can go everywhere

I don't have to care

Follow red balloons

Only lovely tunes

In my dreams... (4x)

In my dreams... I can go everywhere
In my dreams... I don't have to care
In my dreams... Follow red balloons
In my dreams... Only lovely tunes

In my dreams... I can go everywhere
In my dreams... I don't have to care
In my dreams... Follow red balloons
In my dreams...

Here comes the dream

I can go everywhere

I don't have to care

Follow red balloons

Only lovely tunes

In my dreams... (12x)

Here comes the dream
