

Dune, Somebody

I want somebody to share,
share the rest of my life
share my innermost thoughts,
know my intimate details
someone who'll stand by my side,
and give me support
and in return,
he'll get my support
he will listen to me,
when i want to speak
about the world we live in,
and life in general
though my views may be wrong,
they may even be perverted
he will hear me out,
and won't easily be converted
to my way of thinking,
in fact he'll often disagree
but at the end of it all,
he will understand me

aaaaaaaaahhaaa

I want somebody who cares,
for me passionately
with every thought
and with every breath
someone who'll help me see things
in a different light
all the things i detest,
I will almost like
I don't want to be tied
to anyone's string
i'm carefully trying to steer clear of those things
but when I'm asleep, i want somebody
who will put their arms around me
and kiss me tenderly
though things like this
make me sick
in a case like this, i'll get away with it
