

# Dune, Somebody

I want somebody to share,  
share the rest of my life  
share my innermost thoughts,  
know my intimate details  
someone who'll stand by my side,  
and give me support  
and in return,  
he'll get my support  
he will listen to me,  
when i want to speak  
about the world we live in,  
and life in general  
though my views may be wrong,  
they may even be perverted  
he will hear me out,  
and won't easily be converted  
to my way of thinking,  
in fact he'll often disagree  
but at the end of it all,  
he will understand me

aaaaaaaaahhaaa

I want somebody who cares,  
for me passionately  
with every thought  
and with every breath  
someone who'll help me see things  
in a different light  
all the things i detest,  
I will almost like  
I don't want to be tied  
to anyone's string  
i'm carefully trying to steer clear of those things  
but when I'm asleep, i want somebody  
who will put their arms around me  
and kiss me tenderly  
though things like this  
make me sick  
in a case like this, i'll get away with it
