

Dune, The Power Of Love

Aye aye aye aye
Feels like fire
I'm so in love with you

Dreams are like angels
They keep bad at bay, bat at bay
Love is the light scaring darkness away

I'm so in love with you
Purge the soul
Make love your goal

The power of love
A force from above
Cleaning my soul

Flame on burn desire, love
With tons of fire
Purge the soul
Make love your goal

I'll protect you from the hooded claw
Keep the vampires from your door
When the chips are down
I'll be around with my undying death

Defying love for you
Envy will hurt itself
Let yourself be beautiful
Sparkling love flowers and pearls and pretty girls

Love is like an energy
Rushing in, rushing inside of me
Hey yeah

The power of love
A force from above
Cleaning my soul

Flame on burn desire, love
With tons of fire
Purge the soul
Make love your goal

This time we go sublime
Lovers entwined devine devine
Love is danger, love is pleasure
Love is pure, the only treasure

I'm so in love with you
Purge the soul
Make love your goal

The power of love
A force from above
Cleaning my soul

The power of love
A force from above
A sky scraping dove

Flame on burn desire, love
With tons of fire
Purge the soul

Make love your goal
