

# Dungeon Elite [\*\*], I've To Do Lvl 23 Before The S

Fada:

questions torture you in akward moments

i find truble in every situation

moments, pervaded by endless loneliness, filled up with out of focus pixels

shared, among the files contained in some folders

simple bits that flow, leaving traces in my mind's logs.

Becko

hit me when i'm down on my knees to get ahold of my life again
