

# Duran Duran, Friends Of Mine

Friends of mine they said they were friends of mine  
Said they were passing time more like a waste of time  
Close the door I said close the door I've told you twice before what are you waiting for

Georgie Davis is coming out no more heros we twist and shout  
Oh no not me I'm not too late and I know that I'm not taking anymore  
Rocky picture has lost his gun leave him out now he's having fun  
Oh not not me I'm not too late and I know that I'm not waiting anymore hey hey

Silly lies don't have to advertise when will you realize I'm sick of your alibis  
Running cold the water's running cold it's time that you were told  
I think you're growing old

Georgie Davis is coming out no more heros we twist and shout  
Oh no not me I'm not too late and I know that I'm not waiting anymore  
Rocky picture has lost his gun leave him out now he's having fun  
Oh not not me I'm not too late and I know that I'm not taking anymore hey hey

I see you smile pictures on the wall there all friends of mine  
See you standing round the back friends of mine think yourself lucky  
Friends of mine they said they were friends of mine  
They were just wasting time out on the dotted line  
Money's gone I've known it all along why don't you say i'm wrong  
Why don't they drop the bomb  
Cause Georgie Davis is coming out no more heros we twist and shout  
Oh no not me I'm not too late and I know that I'm not waiting anymore  
Rocky picture has thrown away his gun leave him out now he's having fun  
Oh not not me I'm not too late and I know that I'm not taking anymore  
What you doing friends of mine holding back you're no friend of mine  
I've always heard you calling
