

# Duran Duran, Girls On Film

See them walking hand in hand across the bridge at midnight  
Heads turning as the lights flashing out it's so bright  
Then walk right out to the fourline track  
There's a camera rolling on her back, on her back  
And I sense the rhythm humming in a frenzy all the way down her spine

Girls on film, girls on film, girls on film, girls on film

Lipstick cherry all over the lens as she's falling  
In miles of sharp blue water coming in where she lies  
The diving man's coming up for air cause the crowd all love pulling dolly by the hair, by the hair  
And she wonders how she ever got here as she goes under again

Girls on film (two minutes later), girls on film  
Girls on film (got your picture), girls on film

Wider baby smiling you just made a million  
Fuses pumping live heat twisting out on a wire  
Take one last glimpse into the night I'm touching close I'm holding bright, holding tight  
Give me shudders in a whisper take me up till I'm shooting a star

Girls on film (she's more than a lady), girls on film  
Girls on film (two minutes later), girls on film  
Girls on film (see you together), girls on film  
Girls on film (see you later), girls on film  
Girls on film (what ya doing), girls on film
