

# Duran Duran, Night Boat

Standing on the edge of a quay no lights flashing on the water for me  
Fog in my mind darkens my eyes silently streaming for a distant sound  
Ripple river yellows rising for a breath of breathing and drowns  
Stillness overcomes me in the night listen to the rising water moan

I'm waiting, waiting for the night boat woo I'm waiting  
Waiting for the night boat

Shadows all through me shudder away echo me echo me (echo me)  
Am I alone or is the river alive cause it echos me, echos me, echos me

I'm waiting, waiting for the night boat woo I'm waiting  
Waiting for the night boat

Waiting (waiting) waiting for the night boat woo I'm waiting (waiting)  
Waiting for the night boat waiting for the night boat woo I'm waiting  
Waiting for the night boat I'm waiting for the night boat
