

# Duran Duran, One Of Those Days

Suddenly it all looks so familiar  
Gone and wrecked it like I always do  
Don't you know it?  
Life is out to kill 'ya  
But you still go getting on with it

Seen better times than right now  
But I'm not running away  
No nothing's gonna bring me down

It's just been one of those days  
I'm not the only one

They can drag me to the gates of hell now  
There's nothing left but I'm still hanging in  
Not for me, ain't no final showdown  
I'm too shattered to do anything

Seen better times than right now  
But I'm not running away  
'Cause nothing's going to bring me down

It's just been one of those days  
I'm not the only one feeling this way  
And I'm not sorry

I'm not the only one feeling this way  
And I'm not sorry  
Not running away
