

# Duran Duran, Sinner Or Saint

Stand bold, for the ride,  
Right now, you know that is the place to be  
To watch humankind, stumble into another century

Take no prisoners,  
Their sure at giving you the run-around  
Violence, on your mind,  
Cus your attention is the battleground

What are you?  
A sinner or saint  
You gotta be  
A sinner or saint

Ice cool walawyers,  
Straight up and guerentee your gonna get  
All that you deserve,  
Sit down, blockin your way, seen nothin yet

(chorus)

What are you?  
That is your fate  
You gotta be  
A sinner or saint

Some poeple love too fast  
Some people live too long  
And so I've got to ask  
Do you know right from wrong?  
Disa-ssembler, will you ever, really be a saint...

Still on for the ride,  
Who cares if you loose or win  
They can bleed you dry,  
When you're, a pumping the adrenelin

(chorus)

What are you?  
It's never too late  
You gotta be  
A sinner or saint..
