

Dust For Life, Poison

Your heart's as black as poison
Cold as ice through and through
You say you wouldn't hurt me
Not what you say it's what you do

Where is my yesterday
It's clearer than tomorrow
Now I incinerate
The vision that you borrowed
Poisoning my mind

Take my soul leave the shell behind
Keep pushing the line
Take me out leave me without your poison

Your heart's as black as poison
Cold as ice through and through
You say you wouldn't hurt me
Now my mind is frozen too

Your world is made of glass
Message in a bottle
If you'd thrown out your trash
Might have made a martyr

Chorus

Keep pushing me down
Keep pushing me I don't care (x6)

Poison
