

# Dusty, I Wanna Take A Chance

I wanna take a chance  
I wanna take a chance

I really need to find a moment in time  
A bigger chance to  
Tell me who I am  
I'm breakin' down and hard, the pressure is high  
I'll keep on dancin'  
But no romancin'

Another day, another feeling for you  
A world of fancy  
Wild and faraway  
I want my freedom bay why can't you see  
I wanna be  
Myself and me  
Baby

Ooooooooooh - I wanna take a chance  
For a moment's passion, babe  
Ooooooooooh - I wanna fly, the open sky's for me  
Ooooooooooh - I wanna take a chance  
With a cool emotion, babe  
Ooooooooooh - I wanna see my freedom there for me  
I wanna take a chance

An easy life, a tidy love in your arms  
And nice embraces  
Thank you anyway  
I feel a prisoner, oh why can't you see  
I'll keep on changin'  
I wanna feel ya

Another day, another feeling for you  
A world of fancy  
Wild and faraway  
I want my freedom bay why can't you see  
I wanna be  
Myself and me  
Baby

Ooooooooooh - I wanna take a chance  
For a moment's passion, babe  
Ooooooooooh - I wanna fly, the open sky's for me  
Ooooooooooh - I wanna take a chance  
With a cool emotion, babe  
Ooooooooooh - I wanna see my freedom there for me  
I wanna take a chance

I wanna take a chance
