

# Dusty Springfield, Another Night

(Burt Bacharach / Hal David)

Find me a rose that never fades and dies  
And I'll show you a man who never, ever cheats and lies  
Find me a star and if you can prove  
The star you've found just never disappears  
I'll show you a man who'll never, never, ever, ever bring you tears

Another night when I'm all alone  
Another night without him  
Another night when I stay at home  
And worry so about him  
Oh, I love him  
And my love makes me cry  
I need him  
If he doesn't come back  
I know I'll surely die

Find me a cloud that never brings you rain  
And I'll show you a man who never, ever brings you pain  
Find me a bird and if you can prove the bird you've found  
Has wings and still can't fly  
I'll show you a man  
Who'll never, never, ever, ever leave you high and dry

Another night when I'm all alone  
Another night without him  
Another night when I stay at home  
And worry so about him  
Oh, I love him  
And my love makes me cry  
I need him  
If he doesn't come back  
I'll die

And he'll never, never, never, never leave you high and dry

Another night when I'm all alone  
Another night without him  
Another night when I stay at home  
And worry so about him  
Another night  
Another night, yeah  
I'm so alone baby  
Another night  
I can't stand it, ah  
I can't stand it
