Got a bad case of the blues
It's what I get from lovin' you, babe
Such a bad case of the blues
It's what I get from lovin' you

Got a bad case of the blues
It's what I get from lovin' you
Such a bad case of the blues
It's what I get from lovin' you, yeah
A bad case of the blues
What I get from lovin' you, baby
Such a bad case of
