

Dusty Springfield, Don't You Know

(Ray Charles)

Yeah
Don't you know, baby?
Hey child, don't you know?
Don't you know, baby?
Little boy, little boy, don't you know?
Don't you know, baby?
Boy, I'm in love with you so

Turn your oil lamp down low
I said, turn your lamp down low
Ow, turn it down
Yeah, turn your lamp down low
A-come on, baby
I know I'm in love with you so

I know I've been away
For such a long, long time
But now, baby, I can't get you off my mind
So come on, baby, come on
Now come on, I love you daddy all night long

Ow, now you love me like I love you
We can do all the things that we used to do
So come on, a-come on
Hey, a-come on, I love you daddy all night long

Yeah, yeah, yeah
Ooh, singin' it baby, yeah

Hey, have you heard?
My guy's back in town
You can mess around 'til the midnight hour
To see what he's puttin' down
So, come on, oh baby, come on
A-come on, I love you daddy all night long

A-turn your lamp down low
A-turn your lamp down low
A-turn your lamp down low
I love you daddy all night long
Turn that thing down, baby
I love you daddy all night long
